ENHANCE DOWNTOWN! MURAL GRANT APPLICATION FORM

Empty spaces on the sides of downtown buildings do nothing to contribute to the overall attractiveness of our City Centre. In an effort to better enhance our downtown and beautify some of these spaces, the DVBA is providing financial assistance to property owners who wish to create murals on the side of their buildings. Grants of 20% of the cost of creating a mural, to a maximum of \$2500, will be provided. Work must not begin before approval has been provided by a committee comprised of representatives of the DVBA and the City. Final quotes must be submitted to the DVBA for approval before work commences. Businesses must have written permission for landlords where relevant.

Financial assistance is available to assist with the costs of: retaining professional services of mural artists, mural products, and application. Grants will be paid upon satisfactory completion of work and presentation of all receipts to the DVBA. To be eligible for a grant, the property must be within the boundaries of the DVBA.
