SECURITY GRANT APPLICATION FORM

Funding is available for businesses and property owners who wish to set up security cameras, upgrade lock quality, install window films to reduce breakage, or otherwise upgrade security. The DVBA will provide these funds on a first-come, first-served basis until our allocated budget is exhausted or December 31, 2025. We will provide 50% of the cost of security upgrades to a maximum of \$1000 per business.
