

GULL DETERRENT GRANT APPLICATION FORM

The Downtown Victoria Business Association (DVBA) Gull Grant Program has been established to assist DVBA members with combating the roosting and perching of seagulls/pigeons on roof tops and roof lines. A grant of 50% of the cost of materials and hired labour, to a maximum of \$500, is now available to owners who are installing any devices on the roof and roof lines which are designed to prevent or discourage the roosting or perching of seagulls within the boundaries of the DVBA.
